

Dear Prospective Home Inspector:

We are responding to your inquiry about our Illinois Inspector Training Institute. Please take a few minutes to answer the questions below. Thank you!

1. How did you hear about our program?
2. What's important to you in a course?
3. What kind of a facility do you expect while taking the course?
4. What kind of lab experience do you expect?
5. Is a field training program important?
6. Is it important to inspect a wide variety of buildings (i.e. old, new, large, small, etc.) during the program?
7. What do you feel a field training program is worth?
8. Is the location of the school important?
9. What credentials do you expect from teachers?
10. Is financial aid important?

Thank you for your time regarding this matter. We hope to better our services for you.

Best,

TOMACOR, Inc.
